## *THE CONSISTORY MINUTES AND POOR RELIEF ACCOUNTS OF THE FRENCH CHURCH AT THORPE-LE-SOKEN 1683-1763*

(Huguenot Society Quarto Series 62)

The Thorpe-le-Soken Consistory Minutes and Poor Relief Accounts are the records of a provincial Huguenot church founded in England in the late 17th century. Together with the church's register (published 1912) they form the only complete set of such records to have survived, and have much to say about the history of this small Essex settlement.

Barbara Julien has spent five years in researching these original documents, and has both transcribed them and translated them into English. Quarto Series number 62 shows French and English texts on facing pages and, in addition to a scholarly introduction, it includes full annotation, two appendices, a bibliography, and an index of persons. A particular feature of the book is a detailed database which indicates the provenance of the Huguenots who settled in Thorpe and nearby communities and - as far as has been possible - their marriages and children, the duration of their stay, and their eventual destination.
